FOOTBALL

By SCHOOL WRITER

On Friday, Oct. 4, the Tryon-Saluda gridders will open up the season with the strong Fletcher team. The new team will be minus many of the stars of the great squad of last year. On the shoulders of a group of new men the burden will be borne. This year, Fletcher will be no set up since they have all veteran players and have already played three games. One of them, is a mere six feet, six inches in height, and a star of the game.

Among the old men left are McCahey at center, Blackwell at quarter, Kerhulas at tackle, Heathly, a reserve, at regular guard this year, and Robert Green, a guard of last year, now at end. Shields, last year's tackle, due to a tonsil operation he will not be available for several weeks yet. The team has been built around this group and by the middle of the season should be hitting its stride.

The first game of the season is generally the most important from the players' viewpoint and a good crowd can go a long way toward helping them. The game opens promptly at three-thirty at Harmon Field.

Dr. J. B. Clark Bids Kiwanians Farewell

Dr. John Brittan Clark, formerly pastor of the Erskine Memorial Congregational church, who resigned recently, said goodbye to his fellow Kiwanians at the noon meeting of the club today at Edgewood Inn. Dr. Clark was a charter member of the Tryon club, for a number of years a director and chairman of the Kiwanis Education and Underprivileged Child committees. His inspiring leader—

Chamber Commerce Meeting Tonight

A mass meeting will be held tonight at 7:30 at Missildine's Hall for the purpose of making plans to entertain about 40 officials of travel agencies who are coming to Tryon from New York for a visit on Oct. 17. They will eat supper and breakfast and spend the night at Oak Hall hotel through the courtesy of M. A. Richards who has extended the facilities of the hotel and of Lake Lanier in order to help entertain these guests who are in position to direct worthwhile people to Tryon and community. Every public spirited citizen who wants to help Tryon grow will be at this meeting tonight. Every business and professional man and property owner in the community will benefit by any increased visitors to Tryon. There are not enough Georges to go around. So let each of us do what he can to make the meeting and the entertainment a success.
