## TRYON WANTS TRAVEL OFFICIALS

Another meeting will be held tonight (Thursday) at 7:30 at Missildine's hall for the purpose of making plans to entertain about 60 travel agency officials who are coming to Tryon for an over-night visit on October 17th. It will be part of an 11 day preview of the Carolinas. If we give a favorable impression it will result in these executives sending us thousands of tourists every year. In the party of 60 people coming, 24 of them are women. These officials will come from New York, Ohio, Pennsylvania, Delaware, Kentucky, West Virginia, Massachusetts, Rhode Island, Alabama and New Jersey. Among them will be magazine and newspaper officials. General Chairman C. J. Lynch wants all persons interested to meet with the committees tonight (Thursday) and be free to offer many suggestions they think might help entertain these prominent guests.

The Polk County Apple Show to be held in Tryon on October 10, 11 and 12 will give local people an opportunity to see the best apples grown in this section. It will be a good time to place orders direct with the growers, too.

## War At Rotary

Maj. Bernard Sharp will give a talk on the war situation on Friday at 1 p. m., at the Tryon Rotary club at Lake Lanier Inn.

## Wilson Services Sunday Afternoon

Funeral services for Private Hicks G. S. government is bringing the body to Tryon today (Thursday) on the afternoon train at 4:30. Private Chas. H. Fedder is the official escort for the body from New York.
