Citizens Meeting Called Tuesday

A mass meeting of all citizens interested in entertaining the travel agency officials here on October 17., has been called to be held at Missidine's hall on Tuesday night at 7:30. Anyone having suggestions to offer is urged to attend this meeting. General Chairman C. J. Lynch states that the general committee will meet immediately after the mass meeting.

"The Board of Directors of the Carolina Motor club in session on October 4th expressed the opinion that this was the biggest effort ever undertaken to merchandise our resorts, scenic and historic points.

"Some of the towns are planning elaborate entertainment and souvenirs for the guests. This is all splendid and very greatly appreciated, but any kind of entertainment must permit us to keep on our schedule; any night time entertainment we hope will not be so severe that some of our guests will be unable to get up on time the next morning."
