Simple Plans For Tour Entertainment

Chairman Carter P. Brown of the entertainment committee stated today that no elaborate program would be arranged for the visiting travel agency officials who are coming to Tryon on Oct. 17, to spend the night. Every effort will be made to present Tryon as it is. There will be no sales talks, or ballyhoo. The guests will be escorted by Tryon's regular winter residents who have no commercial interest in the community. A buffet supper will be served at Lake Lanier Inn and on account of limited room only representatives of the various organizations and officials in charge of the program can be taken care of.

Drivers' License

Every person who has an automobile registered in Raleigh will receive an application blank for their drivers' license. Those who do not have a car with North Carolina tag and registration will have to get a blank from some local service station or garage. Tryon Motor Co., now has a few and those that need them may apply there, but will have to hurry as they will not last long.

Apple Auction

A part of the apples at the Polk County Apple Show will be sold at public auction this afternoon at 4 o'clock by C. J. Lynch. The proceeds will go toward defraying the expenses of the show.
