Travel Officials Enjoyed Visit

The Travel Agency officials on the Carolinas Historic and Scenic tour stopped overnight at Oak Hall Thursday. A delegation of Tryon's regular winter guests met the touring party at Lake Lure and escorted them to Tryon and showed them Harmon Field, the Country club, Lake Lanier, Gillette Woods, Toy Shop, and many other points of interest. At seven o'clock they were entertained with a buffet supper at Lake Lanier Inn. The meal was excellent, the informal homelike atmosphere seemed to please the visitors, many of whom expressed their appreciation for the best entertainment of the trip. There were no speeches about Tryon, and this also pleased the guests who applauded loudly when it was announced that there were not to be any speeches. S. A. Bingham showed a very interesting movie reel of Tryon's activities including slow motion pictures of the Tilden-Vines tennis match, the Horse Show, steeple-chase, gymkhana, tilting tournament, fox hunts, jumps, picnics, boat rides, and some beautiful Tryon flowers and yards in natural colors.

Following the buffet supper the guests and a few Tryonites repaired to Oak Hall where a number of Tryon's home-made products were on display including the best apples from the recent apple show.

James E. L. Wade, commissioner of public works of Wilmington, was high in his praise of Tryon's entertainment program. The visitors were very grateful for the courtesy in being escorted to Tryon by our winter guests instead

Tryon - Saluda Defeats Roebuck

The Tryon-Saluda football team flashed a powerful offensive to down a fighting Roebuck team 27 to 0. On the first play of the game Blackwell, Tryon's star quarterback was hurt and a few plays later was forced to leave the game. He returned at the beginning of the second half, contributed a brilliant run, jumped high in the air to snag a pass and again retired.

Ward replaced Blackwell at quarter and ran the team well, sending the powerful backs crashing time and again through the line. Shields, an offensive powerhouse, rammed the line again and again for rice gains. Staton, big full-back of Saluda, tore off yard after yard, sometimes with two or three tacklers hanging on to him. The whole line played jam-up ball with McGeachy at center at last hitting his stride. He was at the bottom of every tackle and could not be stopped. Jones, x x x back of Tryon, ran nicely, skirting the ends for long runs. "Beak" Heatherly, big tackle, played nicely, blocking and opening up gaping holes in Roebuck's line.

Tryon's next game will be with Taylors, which defeated Tryon 13-12 in 1933, their last meeting. This game will be played Friday, October 25, at Tryon.

Tryon's line-up was as follows: l. e., Green; l. t., Shields, H.; l. g., Chapman; c, McGeachy, J. D.; r. g., Heatherly, M.; r. t., Kerhulas; r. e., Pearson; q. b., Blackwell; l. h., Shields, D.; f. b., Staton; r. h., Jones. Substitutions, Tryon-Saluda: Heatherly, B. Ward, Foster, Holbert, Parker, Lawter.
