Card Party For Lanier Library

Next Monday evening, December 2nd, will see another delightful Lanier club Card Parties, at the Library. Each year about \$600 must be raised, or the Library must close, which would be a real calamity for both residents and visitors of Tryon.

This year, the Ways and Means committee, of which Miss Matilda Giles is chairman, has decided to put on a series of entertainments, to raise the necessary \$600. A large crowd is expected on Monday evening, for the tickets are only fifty cents and there are lovely prizes, donated by Miss Giles.

A prize for the highest score will be given, every half hour.

There will also be a "Door Prize", to which everyone buying an entrance ticket, is eligible, whether present at the party or not. The refreshments are also donated, so the gross receipts go to the Library. The committee begs the hearty cooperation of this community. If you do not play contract, bring any game that you enjoy, and make up your own table. Only come, and by your presence help to make a gay and delightful evening. It is your library that the committee is working to save.
