Town to Improve Roads and Streets

At a special meeting of the Tryon Town Commissioners held on Thursday, January 9, the Commissioners authorized Town Manager C. H. Helms to go to Salisbury and purchase an entirely new road scraper and to make some kind of deal either for a new or rebuilt rock crusher in order to start repairing the streets of Tryon by Monday, January 13. The manufacturers have assured the Town officials that they can deliver the machinery Monday. The roads all over Tryon are in a very bad condition on account of the recent snow and heavy rains. The rock crusher and scraper are practically worn out and cannot do the work. The town officials wish to assure
