FILLERS

The pantry keys at the Lanier library have been misplaced and the custodian wants them. The Terminix people used them and were supposed to leave them at Missildine's. Anyone knowing the whereabouts of these keys will do a great favor to the library if he will call Missildine's at once. At an entertainment the other night the pantry door had to be taken off because there were no keys.

So many misunderstandings exist in the world because we do not know the other fellow's experiences, viewpoints, etc. Benjamin Franklin was right when he said it is best not to say, "This is right; I know it is", but instead to say "I think, or it appears to me." It is not a lack of backbone to refrain from being so positive, but can be consideration for the other's views. When Dr. Sewall asked the writer the other day what he thought of the Supreme Court's decision on the AAA I told him that I didn't know enough about the matter to form an opinion. No matter which side I had taken I would have had the able support of several men on the Supreme Court. A child is the father of the man
