HANDICRAFT NOTES . . .

We quote from an unsolicited letter from a customer in Detroit, received this week: "I should like to mention at this time that I am still wearing my two Homespun suits purchased from you last year and two years ago, respectively, and they are the loveliest things I own."

* * * * *

We have scores of testimonials like the above in our files, representing practically every section of the U. S. The distinctiveness of our fabrics together with its unmatched wearing qualities makes it the most economical wearing apparel you can buy.

* * * * *

We invite the people of Tryon to inspect our big display of Homespun — for both ladies and men. Scores of attractive patterns from which to choose.
