## Costa Gives Suppers To Worthy Causes

Thomas Costa has kindly offered to give the proceeds one night each month, from the Thursday evening suppers, served in the dining room of the Hotel Tryon to the Garden club, to be dispensed by them to various philanthropic undertakings.

March 5th will be the first Garden club night but after that it will be the second Thursday in each month. The supper is 50 cents and reservations must be in the hotel Thursday morning.

In making this offer Mr. Costa is continuing a custom he began in Cleveland where he turned over the proceeds of a flower stall in the uptown market one day each month to the Cleveland Garden club by whom they were dispensed to various charities. Among other things Mr. Costa started a milk fund for underfed children.

Remember to reserve these Thursday evenings each month for supper at the Hotel Tryon and help our civic enterprises.
