Tryon Answers Call Of Flood Sufferers

When Admiral Cary T. Grayson appealed to Polk County chapter of the American Red Cross for \$175 to help the flood stricken people who are homeless and without food and proper clothing he touched the hearts of the people of this community and at noon today there had been turned over to Treasurer, J. B. Hester, \$182.15. This amount takes the local people over the top in the amount asked for but the appeal was made during the middle of last week and considerable damage and suffering has been done since then. Anyone desiring to help may send their donations to the following persons: Miss Marjorie Capps at Missildine's pharmacy, Mrs. George A. Cathey at Blue Ridge Weavers, Mrs. Seth M. Vining at the Bulletin office or to Treasurer J. B. Hester in the Hester building.
