## Tryon Horse Show Arrangements Are Complete for Wed.

Final arrangements had been completed today for Tryon's annual Horse and Hound Show, which will be staged on Harmon Field on Wednesday, and indications were that the number of horses entered in the show this year would exceed that of any other year.

The Hound Show will begin at 9 o'clock Wednesday morning and the first classes in the Horse Show will start at 10:30 o'clock in the morning.

Horses will be shown in 18 classes during the course of the day. Some classes will be shown in the morning, but the majority of the events will take place during the afternoon, when events start at 2 o'clock.

Judges for the show are Mr. and Mrs. Gordon Grand of Greenwich, Conn., who will judge the hunter and jumper classes, and Harry Thornton of Bradsville, Ky., who will judge saddle classes. Alex Parish, of Berea, Ky., will judge the classes for hounds in the morning.

As a preliminary to the show, the annual Hunt club ball will be held on Tuesday evening at the Oak Hall hotel, beginning at 9:30 o'clock. The Buccaneers orchestra of Asheville will play for the dancing.

## Bacon Announces For The Senate

Former Senator Francis Pickens Bacon announces in today's Tryon Daily Bulletin his candidacy for the State Senate from this district. Friends of Mr. Bacon have been urging him for several days to make the race. Mr. Bacon has been active in business, political and civic affairs. He is a former mayor of Tryon and former president of the Chamber of Commerce. His opponents so far are Mayor John R. Burgess of Columbus and former Sheriff-Tax Collector W. Y. Wilkins of Tryon.

## Sacred Concert Tonight, 8 O'clock

The famous Sunshine Trio of the Moody Bible Institute, Chicago, will render a sacred concert tonight at the First Baptist church at 8 o'clock. Some of the program features will be trios, duets, solo selections and musical readings.

The people of Tryon are fortunate in having this opportunity to hear these noted musicians. The public is cordially invited. There will be no admission, but an offering will be taken.

Mrs. Anna L. Henderson, who has been visiting her sister, Mrs. Alice R. Flentye, leaves today for Chicago.
