

Missildine's Pharmacy Since 1896 Has Provided Medicines and Drug Supplies for Tryon and Polk County

The Lake Lure Highway

Residents of Spartanburg will be gratified to know that the work, long delayed, of grading and surfacing the North Carolina part of the highway between this city and Lake Lure is underway and should shortly be completed.

South Carolina completed its part of the work on this highway some time ago and residents of this city have been hoping that the North Carolina highway department would hasten completion of its part of the job. At present the section of the road on which the work is being done is hardly passable and the contractors have posted signs warning motorists that if they travel it they will do so at their own risk. This condition will not last long and when the North Carolina section has been paved the distance between Spartanburg and Asheville will have been shortened by a highway that passes through a beautiful part of the Carolinas. It will place Lake Lure within an hour's drive of Spartanburg. — Spartanburg Herald.

Social Tonight

The Woman's Society of Erskine Memorial church will hold its annual summer supper and entertainment tonight at the Congregational church. All members of the congregation are invited.

Masonic Picnic

The Masons of Polk county will hold a St. John's Day picnic and entertainment on Wednesday evening at Lake Lanier. All Masons and their families will enjoy the outing which will consist of various contests, music, etc.
