

The Tryon Daily Bulletin

*Published Every Day Except
Sunday*

The Tryon Daily Bulletin has received two interesting photographs from our California correspondent, Mrs. Martha Lightner Boone, showing the elephant killed recently in San Francisco for the murder of its keeper. One picture shows Col. Dan Boone beside the elephant before it was shot. As it is too expensive for The Bulletin to have these pictures published, we will keep them for a few days for anyone interested in seeing them at the office.

Mrs. Kathryn Semple and daughters, Misses Margaret and Daisy, of Toledo, Ohio, have moved in the Peattie house on Godshaw Hill.

W. J. Gurley of New York City is visiting his sister, Mrs. James Moore.
