

FRIGIDAIRE Is Always At The Top

It isn't a "Believe it or Not" of the little rooster this time, but one of "Tom", a cat owned by Mr. and Mrs. J. P. Lockhart. Late yesterday afternoon the cat attacked and killed a two-foot pilot snake which had crawled into the yard, thinking perhaps it would acquire a nice lunch of little chicks. The cat was on guard, however, and seemed to enjoy killing the attacker as much as it would have a rat. The snake now rests in its grave and "Tom" has become a hero.
