Attempted Robbery

The burglar alarm out at the Farmers Federation went off with a loud noise this morning about 6:30, when someone attempted to pry open the rear door. Manager Claude Fisher, aroused by the alarm, managed to get two shots at the marauder as he fled toward his car parked on the Landrum highway, however, so far as known, neither of the shots registered. The only visible signs left of the excitement are the two empty cartridges and some extra large foot-prints.

The Parents Party

The Parents Party scheduled for tonight at the Lake Lanier Inn will be postponed on account of the threatening weather. It is planned to hold the party Monday night if weather permits.

If any parents who had not been able to come tonight find that they can come Monday night, will they please notify Dr. Taylor at telephone 222-J, or send a message by their son Monday morning to the club. On the other hand, if any expecting to have come tonight find that they cannot come Monday, will they please send word in a similar manner?

The party is not a supper but a simple evening gathering.
