Tryon Boys Club Commencement On Friday A. M.

Commencement Day for the Tryon Boys club is Friday of this week. Closing exercises will be held at 11 o'clock which, like last year, will last twenty minutes. At that time the group which has won the most points in the contests of skill, athletics, good behaviour, good handicraft, will receive the Shield which will be hung with the photograph of the boys in the club on the Bulletin Board of the high school. The names of the boys in the winning groups are underscored in the picture and also appear on the back of the Shield. J. N. Jackson, Sr., will award the Silver Cup to the boy who is voted by the boys and councillors and Dr. Taylor as the most outstanding boy of the club. Mr. Jackson donates this cup and last year it was won by Thurston Arledge. Today, the boys voted for this outstanding boy but the result of the ballot will not be known until it is announced at the Commencement Friday. After these awards, the boys will have on view their handicraft which they made this year.

All parents of the boys and all friends of the Tryon Boys club, as well as members of Rotary and Kiwanis, are invited to attend these short exercises, positively not lasting more than the promised twenty minutes. Other boys of the town are also invited.
