Cream Route Opened Friday In Polk County

County Agent J. A. Wilson stated this morning that the cream route established in the county yesterday got off to a good start. 24 gallons of cream were sold to the Biltmore Dairies. The average butterfat test was 27 per cent. The cream of J. S. Morris of Green Creek had the highest test—45.50 per cent. Fourteen farmers were benefited by the sale and were paid \$17. Pete Gaines got the largest check—\$3.45. The Biltmore Dairies served ice cream to the farmers bringing cream. C. S. Case, representative of the creamery put in the new station at Columbus and made the first tests. The cream route will be made every Friday and all farmers are invited to sell their surplus cream in this way and make some extra cash on the farm. A \$50 weekly cream route will mean \$2,600.00 extra money each year for a few farmers.
