The Tryon Daily Bulletin:

You had an ad. for a home from Mrs. D. C. Rule, Fremont, Ohio, apparently taken from the Agricultural Review. My husband has been very ill and is only now getting around—just home from the hospital. I have had so many replies from your section that I am sure certain it came from your publicity. I have received from North Carolina about 150 replies. This explains why we have not replied. Am so excited over some of the prospects.

Mrs. D. C. Rule,
Fremont, Ohio.

Miss Lucile Orr will return Sunday to Greenville, Tenn., after spending her vacation in Tryon with her mother, Mrs. John Orr.

Mr. and Mrs. J. Lee Lavendar were called to Statesville today to the bedside of Mrs. Lavendar's nephew, Tom Winkler, who is seriously ill at the Davis hospital.
