Football Practice

The Tryon-Saluda football team will open the season with its first practice on Wednesday, Sept. 16. At this time uniforms will be issued and a light work-out given. All candidates for the team are urged to be on hand promptly at three o'clock. Workouts will be held at the school house for the present.

The first game will be with Fletcher at Tryon on September 25th. This team generally furnishes the opening opposition for the local squad. Last season victory was by a single touchdown. During the next few days much work will have to be accomplished to whip a team in shape.

The prospects for the coming season will depend largely how the reserves of last year turn out. The end positions will find Robert Green back along with Pearson, G. Foster and E. Foster. Tacklers will have to be taken care of by Homer Shields and Russel Holbert. Guards returning are Mutt Heatherly and Arthur Parker. The pivot position will be up to Henry McGeechy. All the backfield will be in barriers again, Blackwell at quarter, Staton at full, Jones at left half and Fox at right half. Besides the ones mentioned above there will be quite a few others out. All new men will be given a chance and opportunity.
