Tom Costa Buys Coal Business

W. S. Green, Coal-Wood-Fuel-
oil has been bought by Tom Costa,
well-known Cleveland, Ohio,
florist, who moved to Tryon over
a year ago, built a beautiful home
in the Valley and planned to re-
tire, but the Tryon spirit got hold
of him and he started using his
money to help build the community.
In addition to his florist interests,
Mr. Costa bought the old Edge-
wood Inn and turned it into the
modern Hotel Tryon. He became
identified with the building sup-
ply business, and other business ac-
tivities which have kept him one
of Tryon's busiest men.

Dr. W. S. Green came to Tryon
many years ago and has built up
one of the best fuel supply busi-
nesses to be found anywhere from
the standpoint of service, quality
and quantity of product. He diver-
sified his interests and became one
of the community's most impor-
tant builders lending his advice
and financial assistance to other
business and civic enterprises. He
is at present chief stockholder in
the Tryon Motor Co., director of
the Tryon Federal Savings & Loan
Association, and owner of much
city and rural real estate.
