Just because a man has worked in an office for several months and observed the boss is no sign that he can run the business. Many men have lived with their wives for years and watched them cook, yet they never learned how to hame biscuits. Whether running a business or a home the beginners have to learn to analyze, organize, systematize, deputize and supervize.

At Tryon's Theatre Friday "WOMAN TRAP" with George Murphy, Gertrude Michael and Sidney Blackmer. Sidney Blackmer, who plays in this picture holds a deed to the town of Raleigh, N. C. One thousand acres on which to build the town of Raleigh, was given in 1794 by Theophilus Hunter, great grandfather of Sidney Blackmer. Inserted in the deed is a clause which stipulates that should the Capital ever be moved as much as one foot from its present location, the ownership rights to the land revert to the Hunter heirs. Sidney is the only remaining heir.
