## No Skating in Streets

The Bulletin wishes to call the attention of all parents to an advertisement of the Town of Tryon in today's Bulletin which notifies the public that it is unlawful for people to skate upon the public streets of the Town of Tryon. The penalty for doing so is a \$5 fine and the Town officers have been instructed to enforce the law.

## Football Results

The fast stepping Tryon-Saluda team rang up its third victory of the season by defeating Boiling Springs last Saturday by the score of 27-0. The local team demonstrated its passing ability and pass defence in running up the one sided score. On the opening play of the game Staton, huge Saluda back, intercepted a Boiling Springs pass and galloped for a touchdown aided by superb blocking. The entire team played a good brand of football in spite of a lay off due to rainy weather. Staton was easily the outstanding defensive man in the line with his tackling. He was ably assisted by Parker, H. Shields, and Green. The backfield, composed of Staton, Blackwell, Jones and Fox worked well and hard.

The next game on schedule will be the strong Hendersonville High school team. This game will be played at Harmon Field on Friday, October 23.
