Boy Scout Camp

Acquires Property

Gastonia, N. C., Oct. 26.—Officials of the Piedmont Council Boy Scouts of America, Inc., have just acquired a tract of land at Lake Lanier adjoining the Piedmont Boy Scout Camp which will provide thirty-two additional acres of beautiful mountain lands to the camp. This land will largely be developed during the coming winter and spring for use next summer.

The Piedmont Scout Camp has outgrown its ability to serve the large number of Boy Scouts who wish to attend the camp each year. With the addition of this piece of property recently purchased the camp facilities will be enlarged so that more boys may be accommodated and so that a richer program may be developed. A part of the new property will be developed as an athletic field in which tennis courts and a track for field and track events may be carried out. During the past summer more than 1,100 Scouts and leaders were enrolled in the Piedmont Scout camp.

Honolulu In 5 Days

Mrs. W. C. Ward received a letter early Monday morning that had arrived Sunday from Honolulu via the China Clipper in five days. The message from Mrs. C. H. Kock left Hawaii on October 20, by the new fast airplane service which now brings Tryon and the Pacific islands closer together.
