

FOOTBALL

The Junior Tryon football team will leave today to meet the Greenville team of Judson Mills, another Y. M. C. A. team. This will be the second game of the season for the locals. The first game was lost by a large margin to Greenville but the play of the Tryon squad in the second half was very good. Last Saturday, Greenville defeated Rock Hill Y by the score of 39 to 0. Today, the Tryon boys will be without the services of C. Ford, who turned in a brilliant game at end in the last contest. The following boys are making the trip:

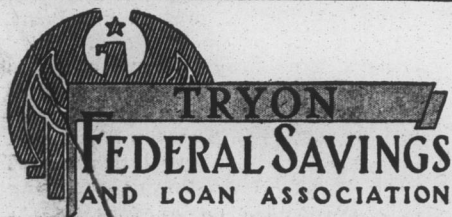

Hall, Vining, McFarland, Taylor, Green, Eaton, Thompson, Beatson, Ballew, R. Ford, L. Gosnell, Hilton, Justile, Chapman and Blackwell.

The varsity football team had a hard practice yesterday in preparation for their game with the strong Waynesville team on Friday. This game will be played in Waynesville and promises to be a great battle between two rugged lines. The Waynesville team has lost only one contest during the season and that to the Asheville High team. In order to give the local fans as much football as possible during the short season, negotiations are under way to obtain a team here for an Armistice Day game, next Wednesday, November 11th.
