Employers To Get Security Blanks Today

Form SS4, the Employer's application for identification number under the social securities act, were distributed today with the second delivery of mail, Postmaster W. H. Stearns has announced.

The postoffice department is co-operating with the social security board in securing this information, which is essential to the execution of the old-age benefit statute.

The forms are to be delivered to every individual, firm, trust or estate, partnership, corporation, association, joint stock company and insurance company that has one or more persons less than 65 years of age in its employ as of November 16.

The forms must be returned to the postoffice, either in person, or by mail or by carrier before Nov. 21. If the employer does not receive one of the forms, he should apply at the postoffice for one.
