FINAL FOOTBALL GAME HERE ON WEDNESDAY

The Tryon-Saluda team will entertain Spartanburg in its last game of the season on Wednesday. The Spartanburg gridders are met every year and always bring a scrapping team. Last year the locals were nosed out 6 to 0 and are anxious to avenge this defeat. The game will be the last one that Blackwell, J. L. Shields, and B. Chapman will play for Tryon. Blackwell has been an outstanding performer for the past several years and his presence at quarterback will be missed. Chapman at guard has turned in excellent work all season this being his second year of football. The players are all in good shape for the final encounter and will do their best to ring up a victory.
