## 200 Colored Children To Get Xmas Gifts

Mrs. Dudley Smith stated today that the names of 200 colored children had been secured from the Negro schools and churches of Tryon and that each child would be given a present on Christmas Eve when the Christmas Tree program is held at Garrison Chapel Baptist church. Suitable prizes for all the ages are being arranged so that a large boy will not get a little girl's present. The names of the children will be read at the Christmas tree and it is important that all colored children make plans to be there.

Mrs. Smith states that the committee appreciates the splendid cooperation that has been given by those sending in checks and other donations, and that she will be glad to receive checks from any person she has failed to see.
