## The White House Washington, D. C.

TO THE BOY SCOUTS OF  
AMERICA:

Yours has been a worthy record upon the pages of which are written courage, dependability, faith, loyalty and service. You have won a signal place in the life of the youth of America. As today you are the Boy Scouts of America, so in the years to come may you be the men to whom your country can look for the realization of unselfish devotion and civic righteousness. I wish you all a Merry Christmas.

Franklin D. Roosevelt.

## Beautiful Tree

One of the most beautiful Christmas trees in Tryon is the holly tree in the Congregational church yard. It has been attractively decorated by the Avant Electric Co., with beautiful colored lights and is the talk of the town.

## GREETINGS

The Bulletin has received many greetings from friends in Tryon and throughout the United States, for all of them we are deeply thankful. In addition to the greeting expressed in the London Letter received from Miss Graham, an attractive folder was received from J. Foster Searles in Africa. They have made it a Merry Christmas.

The London Letter was stamped with a King Edward stamp and the editor's boy who is collecting stamps burst out for joy, because the King Edward Stamps will be more valuable later on for future stamps will bear the picture of King George VI. Dr. Helen Roberts, who is saving stamps for a friend received a King Stamp today mailed in Scotland on the day the king abdicated.
