

FRIGIDAIRE Is Always At The Top

A coroner's jury, at an inquest conducted yesterday at the Floyd mortuary into the death of Neal M. Frye of Inman, who died early yesterday morning in the General hospital, found that he came to his death "as the result of an auto accident" and recommended that Oscar Kimbrell of Tryon, N.C., be held for further investigation in connection with the case. Frye's death was the second this year from traffic accidents on the Spartanburg county highways. He was injured in a collision Sunday at a point just South of the Southern Railway shops on the old Asheville highway.

Reddy Remarks

I read about the rich in the papers but their money won't buy any better service from me than my poorest customer. I have only one brand of service!
