Lincoln's Birthday

Today, February 12, is the birthday of Abraham Lincoln, the great president. For that reason there is no stock market report in today's paper. Northern visitors in the Bulletin office sometimes express their surprise at seeing Lincoln's picture hanging on the wall over the editor's desk. Roosevelt's hanging up too. And it is hoped some day to add Robert E. Lee's, Benj. Franklin's, Henry W. Gray's and a few others.

That man is here again! Inspector John E. Floyd of the Sanitary Engineering Department of the State Board of Health, is in the county inspecting hotels, boarding houses, cafes, etc.
