LETTERS

Dear Mr. Vining:

You must know that I am very much opposed to the Absentee ballot and have been for a long while. It is most undesirable and as long as we have it we will have a tremendous amount of fraudulent voting. Those who are holding up this are assuming a big responsibility.

Much to their credit, fully ninety per cent of our voters are against this ballot but many are taking no interest in the repeal. They should see those of the County Executive Committee who are holding up repeal and also write Mr. McDowell, of the House, to support Senator Bacon, of the Senate.

Yours very truly,

B. L. Ballenger

Editor's Note: We are glad to have this public statement from Mr. Ballenger, a member of the County Democratic Executive committee. We hope the other members of the committee, Dr. Green, Mrs. Camp, Mr. McFarland, Mr. Ledbetter, Mr. Thompson, Mr. Laughter and Mr. Camp can also see their way to help abolish the absentee ballot law.
