Duluth, Minn., Boy Passes Test for Scout Printing

Elsewhere in this issue of the world's smallest daily newspaper is published a page advertisement which was hand set in type by John McLean, 12-year-old son of Mr. and Mrs. C. R. McLean of Duluth, Minn., who is attending school in Tryon and also passing tests in Boy Scout work. One of the tests required to earn the merit badge in printing is the setting up and printing of 100 circulars in connection with Boy Scout work. The page ad is the circular, and it advertises the Court of Honor meeting for Monday night, March 15 at 7:30 at the Tryon school.
