Tournament Results

Tonight, will finish up the Polk county annual tournament, with Stearns girls of Columbus pitted against the Saluda girls and the Tryon boys against the Saluda five. Both games will be close and hard fought. Tryon will be considerably strengthened by the addition of William Blackwell, whose record had been confused with that of his brother's, Thomas, an old Tryon athlete.

The girls will start their game at eight o'clock and the boys at nine. The games will be played at the Saluda gym.

In the two games played at the Tryon gym on Thursday night, the Saluda girls had easy sailing with the Sunny View girls and defeated them 48 to 11, while the Saluda boys came out 24 to 16 ahead of the Stearns boys.

In the girls' game both teams substituted freely, but the experience of the Saluda sextette overcame the aggressiveness of their opponents and the outcome was never in doubt.

The boys' game started out with both teams fighting hard for advantages and being about evenly matched. But in the second quarter, the Saluda five, paced by Holbert, pulled away and kept the lead out of danger throughout the game.

Line-up, (girls): Saluda, 46: Pearson, J., Hague, Rhodes, S., Staton, Goforth, Pace, Johnson, M., Hipp, Johnson, W., Rhodes, A., Pearson, O. Sunny View, 11: Taylor, Skipper, Lynch, M., Lynch, B.,
