

Tryon Daily Bulletin

SETH M. VINING, Editor

This is the second largest issue of the world's smallest daily newspaper and it celebrates the opening of Sunnydale Log Cabin, an attractive social center which we are sure will be of great value to the community. Its erection has already improved the entrance to Tryon from the south. We hope the operators of this fine establishment will be rewarded for their enterprise through the cooperation and patronage of the community. Mr. Shelnut and all who assisted in the work are to be congratulated upon this achievement.

The Riding & Hunt club will give a dance at Sunnydale on the Steeple-Chase night, March 31. Secretary Lefty Flynn says the best music "this side o' them thar hills" will be provided at the dance.

Guy Crawford, Jr., ("tourist") of Asheville, N. C., is visiting in Tryon, and pinch-hitting at Slack's Pharmacy.

Good Roofing

Is Needed to Protect A
Good House. We
Supplied the Roof-
ing for

Sunnydale

and are proud of it
