

TRYON MOTOR CO., Inc. Service

"The Tryon Daily Splash", is a one page, note sheet, typewritten newspaper put out by ten-year-old David Philips at the home of his parents, Mr. and Mrs. Lincoln F. Brigham, who recently moved here from Arizona and are occupying Mrs. Charles Wilson's house on Melrose Avenue. David labors industriously with his little paper for it takes a lot of work to make many newspapers by the "hunt & peck" system on a typewriter. He also has a good delivery system for he puts a brick or rock on his papers to keep the wind from blowing them away. A good suggestion to Bulletin carriers. A typical news item reads as follows:

AMELYE AIRHEART TACKS OF FROM SAN FRANCISCO

San Francisco March 14th. Eme-lyi Airheart in her new Electric powered plane took off from the new flying field here with Captain c. c. Frankline miss airheart said she was headed for Hantalolo 2410 miles away and expected to get there tomorrow.

Bill Ward arrives today for the Easter holidays from Georgia Tech. He will be accompanied by his roommate, E. G. Boswell.
