Baseball Meeting

All persons interested in Tryon having a town baseball team this summer are requested to meet Friday night at the Tryon gymnasium or see Douglas S. Blois.

Dance, March 31st

A dance will be held Wednesday night, March 31st, at Sunnysdale for the members of the Tryon Riding & Hunt club, the Trails association, and their guests. Admission \$1 per couple or single. All members please come. This dance for the benefit of the Helping Hand.

Garden Club Play

At the Parish House on April 8 and 9, Fresh Fields, is being presented with an interesting cast and with Mrs. Fuldner as director. This is only the second opportunity which Tryon has had this season to see a play which has been presented professionally in some of the larger cities.

One of the finest projects of a local organization is the conserving of the Pearson's Falls property. This was undertaken by the Tryon Garden club several years ago. Much work has been done there to make the place attractive and accessible. Paths have been built and trees and flowers have been marked. All this has meant not only work and planning, but money. The play, which the Garden club is sponsoring, is one of the means which they are using to raise funds which are needed to meet current expenses, as well as to pay off the original indebtedness.

Dr. Leighton At Rotary on Friday

Dr. John A. Leighton, founder and head of the department of Philosophy of Ohio State University, will be the chief speaker at the Tryon Rotary club on Friday at 1 p. m. Dr. Leighton has recently returned from abroad and B. L. Ballenger, who has charge of the program states that the club is fortunate in having Dr. Leighton to speak at this time. Any visitors or club guests desiring to attend the meeting should notify the hotel as soon as possible.

Pine Crest Dance

The dance at Pine Crest Inn on Friday evening, March 26th, will begin at nine o'clock and end at 12:30. The early hour has been set because many of the young people will go to Camden on Saturday morning to attend the Carolina Cup Race Meeting. Remember that all the young dancing set of Tryon as well as all visitors of high school and college age are invited, and this notice will be the only invitation issued.
