

FRIGIDAIRE Is Always At The Top

No Argument

By HILDA VON SILLER

When folks say "I hate argument!" I know at once just what is meant. It means: "My temper's very short! I'd rather 'r'ar and tear and snort, Than kindly to expostulate: Forbearance is a thing I hate!" (But I should say that fighting Should not be done in writing. 'Tis not polite to make a fuss Because folks don't agree with us).
