REDDY KILOWATT SAYS:

CONNECT IT!!

and

FORGET IT!!

The modern electric water heater is so completely automatic that you simply connect it and forget it. You never have to give it a thought. You never have to worry about it. You never even have to go near it. And it is ECONOMIC. The average family can have a constant supply of hot water 24 hours of the day, every day of the year at a daily cost much less than the price of a package of cigarettes. Investigate electrical water heating for your home now.
