A 'Banjo On My Knee' For the T. Y. M. A.

Some of you are no doubt wondering why the Young Men's Association is putting on a benefit show so soon after the drive for funds. The answer to this question is simple. Equipment for such a recreational center is expensive. Our drive netted us something over \$500 with which we have purchased the most necessary equipment at very reasonable prices. Most of it we have bought second hand and reconditioned, much of it has been donated, and by careful buying and planning we stretched our funds to cover the absolutely necessary expenditures.

Our present quarters are exactly what we need for our purpose but our dependable membership has not yet built up to the point where the dues will take care of the operating expenses. Unless we receive receipts from this benefit show we are not sufficient to help us along for the next few months, we may have to move to other quarters.

"Banjo On My Knee" at Tryon's Theatre will be presented at popular prices, 15c and 25c, Sunday afternoon, April 11th. Evening tickets are being sold at Missildine's and the hotels and by a number of friends at \$1 to those who wish to see our organization maintain its present quarters.

Roy Shelly, manager of Hotel Tryon, has planted three banana trees on the hotel grounds. This is his second winter in the thermal belt and he feels safe in advertising now "Yes we have no bananas."
