## Tryon's Annual Horse Show Gets Underway

Ideal weather greeted Tryon today for its 12th annual Horse and Hound Show which has been held for the past 12 years without postponement. Today, Harmon Field is a colorful picture with hounds and horses in beautiful Pacolet Valley. Riders are present from 12 States and at 9 o'clock this morning 95 horses had been entered in the show. Keen interest is centered on the George D. Wick, Jr. perpetual trophy which has been won twice by Walter C. Hill, and in the Biltmore Forest trophy won twice by R. Horace Johnson of Charlotte. The results of the show will be published in this week's Polk County News.

## Social Activities

Social activities in connection with the Show included a reception for the exhibitors and visitors at the Tryon Country club on Tuesday afternoon from 4 to 6:30 o'clock, followed by a buffet supper at Sunnysdale log cabin. The Horse show ball, an annual event, was held on Tuesday evening at Oak Hall and was a delightful affair with an unusually large attendance.

Following the Horse show, Mr. and Mrs. Ernst Mahler will entertain a large number of guests with a buffet supper at Chinquapin farm. On Thursday morning a hunt breakfast will be given at Pine Crest Inn. with Mr. and Mrs. Carter P. Brown as host and hostess.

## Car Burned

The Chevrolet Sedan of B. E. Samples caught on fire Tuesday night about 12 o'clock and was almost destroyed except for the motor. The body was completely ruined. The car was parked in the garage when the fire occurred. It is not known how the fire started, except that it began in the back seat.

C. P. Rogers lost his new V-8 Ford Tuesday afternoon when the roof of his garage fell in and mashed the car flat to the seats. Mr. Rogers had just gotten out of the car a few minutes before.

W. M. Huck fell from his horse while riding Monday afternoon, and broke his right leg.

J. M. Monroe, reporting the vital statistics for Tryon Township, states that only one person died during the month of February. Population about 2500.

Mrs. Franklin D. Roosevelt is visiting in Asheville and stated last night that she would leave about noon today for an unknown trip. She visited Harmon Field and other places in Tryon on her last trip to this section.

Mrs. Junius R. Judson has as guests Mrs. Ralph M. Cole, Miss Teresa Hickey, Miss Virginia Ruddy all of Rochester, N. Y.

The entire force of Wood's Press and part of the Bulletin staff worked all night printing the programs or the Horse Show.
