

FRIGIDAIRE Is Always At The Top

Opening Night

On Monday night, April 26, the Dunbar Library will be opened officially. It is free, so come out and get a good book to read. Mr. E. E. Bradley, who has manifested so much interest in this library will give a talk on the most important books and tell what is in them. We have a collection of more than one hundred and fifty new books covering most any phase of reading desirable. We want to thank the public who have been so generous in giving us books and magazines. Because of the voluntary interest and time on the part of Miss Mary Carpenter, Miss Mary Drew and Mr. E. E. Bradley and we give our most sincere thanks. The entire public is cordially invited to attend this opening at 8:30 p. m.
