Kiwanians Endorse Nine Months School

The Tryon Kiwanis club today noon passed a resolution endorsing a nine months school term for Tryon instead of an eight months term. Douglas S. Blois and W. A. Schilleter, officials of the Tryon-Saluda school district, addressed the club today noon and told of the need for an extended term in order to give the children the proper amount of education. A school election will be held in June. C. M. Eargle had charge of the program. L. A. Avant brought greeting from a former member, Dr. John Britten Clark, who he visited in Florida. Two new members were admitted to the club, Rev. D. M. McGeachy and C. H. King of Columbus. Carroll P. Rogers made the presentation address.

Water Pipe Aid

The WPA unloaded today two carloads of 10-inch sewerage pipe for the Town of Tryon. This pipe and the installation will not cost the town any money, Manager C. H. Helms stated today. The Town will do some hauling but all the labor, approximately 30 men, will be paid by the Federal government.

Today's Headlines

E. Perry Manville Opens General Insurance Agency

E. Perry Manville, special agent of the Aetna Life Insurance Co., has opened a general insurance agency in Tryon to handle all forms of insurance including Life, Accident, Automobile, Fire and Surety Bonds. A double page advertisement in this issue of the Bulletin carries the announcement of the opening of the new agency.

Mr. Manville received his early training in the insurance business in the Home Office of the Aetna Life Insurance Co., in Hartford, Conn., the "Insurance center of the nation." Mr. Manville came to Tryon two years ago from Charlotte for his health, and he has been benefitted so much by the climate, and is so charmed with this section and its people that he has decided to make Tryon his permanent home. He has already joined the community in the support of many civic affairs.
