## Celebrate Fourth

A committee is busy making plans for the big Fourth of July celebration at Harmon Field on Saturday, July 3, when all the people in the county will be invited to bring a basket picnic and enjoy the event together. There are plenty of tables at Harmon Field to spread the picnic. The afternoon will be taken up with various games and contests for young and old. Following the picnic supper a big display of fireworks will be presented in the sky and an old fashion square dance will be enjoyed under the electric lights to be installed on the field. Everybody in the surrounding section is invited to come early and spend the afternoon here. No admission charges. Free ice water and plenty of parking spaces. Everybody invited to take part in the events. C. J. Lynch is general chairman of the celebration. Anyone desiring to donate money to help buy fireworks and entertain visitors may see Mr. Lynch now and help start the ball to rolling.

## Blue Ridge Weavers Toy Shop Agents

The Blue Ridge Weavers have taken over the local sales work of the products of the Tryon Toy Makers and Wood Carvers and are displaying these attractive hand-made articles in their windows.

## Hospital Gift

St. Luke's hospital has just received a portable nursery table as a gift from Mrs. Charles G. Sewall. The table is on ball-bearing rollers and can be moved from the nursery into the ward so that each mother can be taught the technique of bathing her baby before she leaves the hospital.
