

W. L. Tucker of Memphis, Tenn., brother of T. D. Tucker of Tryon, was buried Monday afternoon at Decaturville, Tenn. He died Friday as the result of an auto accident several weeks ago in Arkansas.

Miss Mary Edwards has returned to her home in Mill Spring after an appendix operation at St. Luke's hospital.

A delightful way to entertain your friends and the whole family would be to take them to the Tryon Country club. Carry a picnic lunch with you. Some can play golf, while others can go in swimming or play tennis. Bring your bridge cards with you and play bridge if you don't care for the sports.—Advertisement.

Their first picture together . . . and it's the love-laugh-and-thrill match of the century! The best screen laugh of the year . . . with two of the world's most popular stars! He had what it takes to chase trouble and overtake love! She regretted the loss of her worldly goods . . . but it was fun to lose her heart! Ascintillating comedy of complications in law and in love. Gorgeous Jean is Bob's newest sweetheart! So look for fun . . . as they frolic cheek to cheek in the romance of a girl who wanted a million . . . but settled for a man who couldn't give her anything but love.

So far as we know the Tryon Dairy Bulletin is the only daily newspaper in the world that sells a whole page for \$4.50. Compare that with the cost of circulars and post cards. Then, too the Bulletin staff does all the addressing and delivering, making it possible to get your message into every home in this community. Can you say as much for the circular or the theatre advertising on the bill board?
