

J. V. Hall Resigns

J. Vernon Hall, for many years manager of the Ballenger Co., grocery department has resigned his position, effective July 3. Mr. Hall stated that he has several propositions under consideration but that he had not made any definite plans for the future. Mr. Hall was recently elected to the Tryon Board of Commissioners. Should he accept some of the out-of-town propositions it would affect the local political situation in that a new Town Commissioner would have to be elected. Many friends hope that his plans will keep him in Tryon.

NOTICE

There will be special singing at St. Luke church on Wednesday night, June 16th. Preaching by Rev. J. T. Walker.

Phone Johnston's Dairy for pure Grade "A" Milk.

SOCIAL SECURITY NUMBERS REQUIRED OF STUDENTS

Raleigh, June 17.—All employees, even students working for the summer and those doing occasional work, are required to secure Social Security account numbers through the local postoffice. Those who reached 65 years of age before last January 1 are not eligible to participate in old age benefits, under the Federal program, but if they continue work after that age, they should have numbers for the State Unemployment Compensation records, Chairman Charles G. Powell reminds. Both the employer and employee are required to see that they have numbers before July 1.
