Check the following, and be convinced that you will really enjoy this picture: Just like Dixie . . . this. fastest and happiest picture ever to star "Ginger" Jane is filled with good things. The Story . . . refreshing as the frosting in a long tall glass! (It's modern, of course.) The Romance . . . beautiful as the belles wooed under the moonlight and magnolias . . . gallant as the Southern gentleman of the story! The Dances . . . ranging from darky hoe-downs to to elaborate production numbers with dancing, singing choruses!
