"CURB" REPORTER

It is always a pleasure to meet an old Tryonite. Had that treat on Tuesday. Miss Nancy Cureton, of Atlanta, Ga., is a guest of Mrs. Connally at the Country club tea room. Miss Cureton is a daughter of the late Dr. Cureton, formerly of Tryon. Her mother was Mary Mills, daughter of Gavan Mills, a member of the family that once owned all of this section by a grant from the King of England.

Tryon's 500 miles of trails will be used more than ever this season. New horses are being added to local stables. Walter H. West recently brought in two horses from Virginia. Col. and Mrs. Dan Boone have returned from the Young Democrats convention at Winston-Salem and they brought with them not the Democratic donkey, but a thoroughbred hunter, "Wrackson" of Virginia, sired by "Wrack" and foaled by "Rod and Gun". Commercial Classes At Tryon Hi School

Much interest is being manifested in the new course in commercial subjects being taught in the Tryon high school for the first time this year.

Thirty high school pupils have registered for the course. A number of others would like to take the course but their schedule of other necessary subjects prevents their taking the commercial course.

We have two classes organized for people who wish to learn typing, shorthand and bookkeeping who are not in high school.

The first class meets from 2:00 to 3:00 o'clock each day. The second class meets on Monday, Wednesday and Thursday nights from 7:30 to 9:30 o'clock.

We have 17 pupils registered in these two classes. We have room to accommodate 10 more people. We would like very much to have each of these classes with the maximum number of pupils in them.

If you are interested in registering for the commercial work please call or write W. A. Schilletter.
