New Chevrolets In Tryon Today

Claude Smith, manager of the Tryon Motor Co. is welcoming many visitors today to see the new 1938 Chevrolet which officials state is the finest ever built. They say it is the best looking, most economical, best engineered and most comfortable Chevrolet in history. It is a car that is complete. It has a newly designed front end and the interior of the car is much handsomer. A new heavy-duty generator with automatic control is provided. The 1938 Chevrolet has a new simpler clutch that is stronger and much more positive in action. There are many other improvements which are evolutionary rather than revolutionary and are designed to give the buyer his greatest value in Chevrolet. The show room will be open all day until 9 p. m., and the public is cordially invited to the Tryon Motor Co. to see four beautiful 1938 Chevrolets on display.

A Panther's "Den"

Lloyd Panther's new billiard room upstairs over Slack's Pharmacy is becoming one of Tryon's most inviting places for those who like billiards. Mr. Panther has recently installed four new Brunswick tables, and the latest models in other equipment. New hardwood floors have been put down and the place has an atmosphere of fellowship and fun under proper supervision. In an advertisement in yesterday's Tryon Daily Bulletin he invited the public to come visit the place and see how one can enjoy leisure hours.

At the Churches Sunday

FIRST BAPTIST—"The Glory of the Christian Life" is the subject of the sermon of Dr. E. E. Bomar at the First Baptist church Sunday at 11 a. m. His work as pastor supply will cease soon. He says he is always glad to see his friends in his audience.
