"When you get your monthly bill for my services I shall appreciate it if you will analyze that bill carefully. Figure what you got for what you are paying. What would such services have cost you from any other source?

Figure the value to your family each month of good lighting, your radio, your electric refrigerator, your iron, your electric range, electric water heater.

When you appraise it don't you think my services are terribly cheap?

"Your Servant,

Reddy Kilowatt."
